Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

| # | Paper | IF | Citations |
|-----|--|-----|-----------|
| 254 | Characteristics associated with willingness to participate in a randomized controlled behavioral clinical trial using home-based personal computers and a webcam. <i>Trials</i> , 2014 , 15, 508 | 2.8 | 18 |
| 253 | Cross-sector surveys assessing perceptions of key stakeholders towards barriers, concerns and facilitators to the appropriate use of adaptive designs in confirmatory trials. <i>Trials</i> , 2015 , 16, 585 | 2.8 | 12 |
| 252 | A systematic review of training programmes for recruiters to randomised controlled trials. <i>Trials</i> , 2015 , 16, 432 | 2.8 | 33 |
| 251 | Mindfulness-based cognitive therapy for inflammatory bowel disease patients: findings from an exploratory pilot randomised controlled trial. <i>Trials</i> , 2015 , 16, 379 | 2.8 | 46 |
| 250 | Health care professionals' views of the factors influencing the decision to refer patients to a stroke rehabilitation trial. <i>Trials</i> , 2015 , 16, 577 | 2.8 | 8 |
| 249 | The CORE study protocol: a stepped wedge cluster randomised controlled trial to test a co-design technique to optimise psychosocial recovery outcomes for people affected by mental illness in the community mental health setting. <i>BMJ Open</i> , 2015 , 5, e006688 | 3 | 39 |
| 248 | Nail bed INJury Assessment Pilot (NINJA-P) study: should the nail plate be replaced or discarded after nail bed repair in children? Study protocol for a pilot randomised controlled trial. 2015 , 1, 29 | | 6 |
| 247 | Optimising recruitment and informed consent in randomised controlled trials: the development and implementation of the Quintet Recruitment Intervention (QRI). <i>Trials</i> , 2016 , 17, 283 | 2.8 | 114 |
| 246 | How Health Professionals Conceptualize and Represent Placebo Treatment in Clinical Trials and How Their Patients Understand It: Impact on Validity of Informed Consent. 2016 , 11, e0155940 | | 6 |
| 245 | Premature Discontinuation of Prospective Clinical Studies Approved by a Research Ethics Committee - A Comparison of Randomised and Non-Randomised Studies. 2016 , 11, e0165605 | | 14 |
