

CITATION REPORT

List of articles citing

High blood pressure and long-term exposure to indoor noise and air pollution from road traffic

DOI: 10.1289/ehp.1307156

Environmental Health Perspectives, 2014, 122, 1193-200.

Source: <https://exaly.com/paper-pdf/57823497/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
