

CITATION REPORT

List of articles citing

Quantifying the association between bovine and human trypanosomiasis in newly affected sleeping sickness areas of Uganda

DOI: 10.1371/journal.pntd.0002931
PLoS Neglected Tropical Diseases, 2014, 8, e2931.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
