

# CITATION REPORT

List of articles citing

Listening effort and fatigue: what exactly are we measuring? A British Society of Audiology Cognition in Hearing Special Interest Group white paperm

DOI: 10.3109/14992027.2014.890296

International Journal of Audiology, 2014, 53, 433-40.

**Source:** <https://exaly.com/paper-pdf/57850436/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
