

# CITATION REPORT

List of articles citing

A rapid cytoplasmic mechanism for PI3 kinase regulation by the nuclear thyroid hormone receptor, TR $\beta$ , and genetic evidence for its role in the maturation of mouse hippocampal synapses in vivo

DOI: 10.1210/en.2013-2058

Endocrinology, 2014, 155, 3713-24.

**Source:** <https://exaly.com/paper-pdf/58120333/citation-report.pdf>

**Version:** 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
