

# CITATION REPORT

List of articles citing

## Dynamics and Resilience of Rangelands and Pastoral Peoples Around the Globe

DOI: 10.1146/annurev-environ-020713-163329  
Annual Review of Environment and Resources, 2014,  
39, 217-242.

**Source:** <https://exaly.com/paper-pdf/58170922/citation-report.pdf>

**Version:** 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
