

# CITATION REPORT

List of articles citing

Increased risk of preoperative venous thromboembolism in patients with renal cell carcinoma and tumor thrombus

DOI: 10.1111/jth.12459

Journal of Thrombosis and Haemostasis, 2014, 12, 169-71.

**Source:** <https://exaly.com/paper-pdf/58177592/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
