CITATION REPORT List of articles citing

A fatal case of JC virus meningitis presenting with hydrocephalus in a human immunodeficiency virus-seronegative patient

DOI: 10.1002/ana.24192 Annals of Neurology, 2014, 76, 140-7.

Source: https://exaly.com/paper-pdf/58269427/citation-report.pdf

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
