

CITATION REPORT

List of articles citing

Risk of second primary tumors in men diagnosed with prostate cancer: a population-based cohort study

DOI: 10.1002/cncr.28769
Cancer, 2014, 120, 2735-41.

Source: <https://exaly.com/paper-pdf/58278115/citation-report.pdf>

Version: 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
