

CITATION REPORT

List of articles citing

Effect of hydroxychloroquine on antiphospholipid antibody-induced changes in first trimester trophoblast function

DOI: 10.1111/aji.12184

American Journal of Reproductive Immunology, 2014, 71, 154-64.

Source: <https://exaly.com/paper-pdf/58285999/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
