

CITATION REPORT

List of articles citing

Evidence for instant blood-mediated inflammatory reaction in clinical autologous islet transplantation

DOI: 10.1111/ajt.12558

American Journal of Transplantation, 2014, 14, 428-37.

Source: <https://exaly.com/paper-pdf/58356808/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
