

# CITATION REPORT

List of articles citing

**Clinical subtypes of chronic traumatic encephalopathy: literature review and proposed research diagnostic criteria for traumatic encephalopathy syndrome**

**DOI: 10.1186/s13195-014-0068-z**

**Alzheimer's Research and Therapy, 2014, 6, 68.**

**Source:** <https://exaly.com/paper-pdf/58439095/citation-report.pdf>

**Version:** 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
