

CITATION REPORT

List of articles citing

Immunohistochemical survey of mismatch repair protein expression in uterine sarcomas and carcinosarcomas

DOI: 10.1097/pgp.0b013e31829ff239
International Journal of Gynecological Pathology, 2014
, 33, 483-91.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
