

# CITATION REPORT

List of articles citing

Comparative cost-effectiveness of the HeartWare versus HeartMate II left ventricular assist devices used in the United Kingdom National Health Service bridge-to-transplant program for patients with heart failure

DOI: 10.1016/j.healun.2014.01.003

Journal of Heart and Lung Transplantation, 2014, 33, 350-8.

**Source:** <https://exaly.com/paper-pdf/58702009/citation-report.pdf>

**Version:** 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
