

# CITATION REPORT

List of articles citing

**The International Criteria for Behetis Disease (ICBD):  
a collaborative study of 27 countries on the sensitivity  
and specificity of the new criteria**

**DOI: 10.1111/jdv.12107**

**Journal of the European Academy of Dermatology and  
Venereology, 2014, 28, 338-47.**

**Source:** <https://exaly.com/paper-pdf/58769376/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
