

CITATION REPORT

List of articles citing

Sustained unresponsiveness to peanut in subjects who have completed peanut oral immunotherapy

DOI: 10.1016/j.jaci.2013.11.007

Journal of Allergy and Clinical Immunology, 2014, 133, 468-75

Source: <https://exaly.com/paper-pdf/58920381/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
