

CITATION REPORT

List of articles citing

Fuzzy neural network-based adaptive control for a class of uncertain nonlinear stochastic systems

DOI: 10.1109/tcyb.2013.2262935

IEEE Transactions on Cybernetics, 2014, 44, 583-93.

Version: 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
