

CITATION REPORT

List of articles citing

Combi-lipase for heterogeneous substrates: a new approach for hydrolysis of soybean oil using mixtures of biocatalysts

DOI: 10.1039/c3ra45969a

RSC Advances, 2014, 4, 6863-6868.

Source: <https://exaly.com/paper-pdf/59199565/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
