

CITATION REPORT

List of articles citing

Silodosin and tadalafil have synergistic inhibitory effects on nerve-mediated contractions of human and rat isolated prostates

DOI: 10.1016/j.ejphar.2014.09.030

European Journal of Pharmacology, 2014, 744, 42-51.

Version: 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
