CITATION REPORT List of articles citing

Nandrolone decanoate inhibits gluconeogenesis and decreases fasting glucose in Wistar male rats

DOI: 10.1530/joe-13-0259 Journal of Endocrinology, 2014, 220, 143-53.

Source: https://exaly.com/paper-pdf/59234070/citation-report.pdf

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
