

CITATION REPORT

List of articles citing

Leucocyte-rich and platelet-rich fibrin for the treatment of bisphosphonate-related osteonecrosis of the jaw: a prospective feasibility study

DOI: 10.1016/j.bjoms.2014.07.256

British Journal of Oral and Maxillofacial Surgery, 2014, 52, 854-9.

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
