

# CITATION REPORT

List of articles citing

The effects of vitamin D on skeletal muscle strength, muscle mass, and muscle power: a systematic review and meta-analysis of randomized controlled trials

DOI: 10.1210/jc.2014-1742

Journal of Clinical Endocrinology and Metabolism, 2014, 99, 4336-45.

**Source:** <https://exaly.com/paper-pdf/59402180/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
