

# CITATION REPORT

List of articles citing

Republished study: long-term toxicity of a Roundup herbicide and a Roundup-tolerant genetically modified maize

DOI: 10.1186/s12302-014-0014-5

Environmental Sciences Europe, 2014, 26, 14.

**Source:** <https://exaly.com/paper-pdf/59486072/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
