

CITATION REPORT

List of articles citing

Complete republication: National Association of Medical Examiners position paper: Recommendations for the investigation, diagnosis, and certification of deaths related to opioid drugs

DOI: 10.1007/s13181-013-0323-x

Journal of Medical Toxicology, 2014, 10, 100-6.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
