List of articles citing

Selective laser melting additive manufacturing of Inconel 718 superalloy parts: Densification, microstructure and properties

DOI: 10.1016/j.jallcom.2013.09.171

Journal of Alloys and Compounds, 2014, 585, 713-721.

Source: <https://exaly.com/paper-pdf/59645411/citation-report.pdf>

Version: 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
