

CITATION REPORT

List of articles citing

Piezoelectric osteoarthrectomy for management of ankylosis of the temporomandibular joint

DOI: 10.1016/j.bjoms.2014.04.012

British Journal of Oral and Maxillofacial Surgery, 2014, 52, 624-8.

Source: <https://exaly.com/paper-pdf/59752125/citation-report.pdf>

Version: 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
