

CITATION REPORT

List of articles citing

Mitochondrial reactive oxygen species: a double edged sword in ischemia/reperfusion vs preconditioning

DOI: 10.1016/j.redox.2014.05.006
Redox Biology, 2014, 2, 702-14.

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
