

CITATION REPORT

List of articles citing

SRT2104 extends survival of male mice on a standard diet and preserves bone and muscle mass

DOI: 10.1111/accel.12220
Aging Cell, 2014, 13, 787-96.

Source: <https://exaly.com/paper-pdf/59760245/citation-report.pdf>

Version: 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
