

CITATION REPORT

List of articles citing

Society of Surgical Oncology-American Society for Radiation Oncology consensus guideline on margins for breast-conserving surgery with whole-breast irradiation in stages I and II invasive breast cancer

DOI: 10.1016/j.ijrobp.2013.11.012

International Journal of Radiation Oncology Biology Physics, 2014, 88, 553-64.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
