

CITATION REPORT

List of articles citing

Transforming the global energy system is required to avoid the sixth mass extinction

DOI: 10.1557/mre.2015.11

MRS Energy & Sustainability, 2015, 2, 1.

Version: 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
