

# CITATION REPORT

List of articles citing

Prediction of subsequent miscarriage risk in women who present with a viable pregnancy at the first early pregnancy scan

DOI: 10.1111/ajo.12395

Australian and New Zealand Journal of Obstetrics and Gynaecology, 2015, 55, 464-72.

**Source:** <https://exaly.com/paper-pdf/60635438/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
