## Evaluation and Management of Proteinuria After Kidney Transplantation

DOI: 10.1097/tp.00000000000000894  
Transplantation, 2015, 99, 2049-60.

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
