

CITATION REPORT

List of articles citing

Simplified diagnostic monitoring for hepatitis C, in the new era of direct-acting antiviral treatment

DOI: 10.1097/coh.0000000000000180

Current Opinion in HIV and AIDS, 2015, 10, 369-73.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
