

# CITATION REPORT

List of articles citing

Novel syndromes associated with JC virus infection of neurons and meningeal cells: no longer a gray area

DOI: 10.1097/wco.0000000000000201

Current Opinion in Neurology, 2015, 28, 288-94.

**Source:** <https://exaly.com/paper-pdf/60725369/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
