

CITATION REPORT

List of articles citing

A review on mechanical exfoliation for the scalable production of graphene

DOI: 10.1039/c5ta00252d

Journal of Materials Chemistry A, 2015, 3, 11700-11715.

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
