List of articles citing

## Role of IL-10 in Resolution of Inflammation and Functional Recovery after Peripheral Nerve Injury

DOI: 10.1523/jneurosci.2119-15.2015  
Journal of Neuroscience, 2015, 35, 16431-42.

**Source:** <https://exaly.com/paper-pdf/61406243/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
