

# CITATION REPORT

List of articles citing

Anticoagulant reversal, blood pressure levels, and anticoagulant resumption in patients with anticoagulation-related intracerebral hemorrhage

DOI: 10.1001/jama.2015.0846

JAMA - Journal of the American Medical Association, 2015, 313, 824-36.

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
