

# CITATION REPORT

List of articles citing

Degradation observations of encapsulated planar  $\text{CH}_3\text{NH}_3\text{PbI}_3$  perovskite solar cells at high temperatures and humidity

DOI: 10.1039/c5ta00358j

Journal of Materials Chemistry A, 2015, 3, 8139-8147.

**Source:** <https://exaly.com/paper-pdf/61843383/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
