

Variation in hospital caesarean section rates and obstet term: a population-based cohort study

BJOG: an International Journal of Obstetrics and Gynaecology
122, 702-711

DOI: [10.1111/1471-0528.13281](https://doi.org/10.1111/1471-0528.13281)
