

CITATION REPORT

List of articles citing

Omega-3 fatty acids and adipose tissue function in obesity and metabolic syndrome

DOI: 10.1016/j.prostaglandins.2015.07.003

Prostaglandins and Other Lipid Mediators, 2015, 121, 24-41.

Source: <https://exaly.com/paper-pdf/61951300/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
