

# CITATION REPORT

List of articles citing

Management of obstructive salivary disorders by sialendoscopy: a systematic review

DOI: 10.1016/j.bjoms.2015.02.024

British Journal of Oral and Maxillofacial Surgery, 2015, 53, 507-19.

**Source:** <https://exaly.com/paper-pdf/62030294/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
