

CITATION REPORT

List of articles citing

Baseline nutrient dynamics in shallow well mixed coastal lagoon with seasonal harmful algal blooms and hypoxia formation

DOI: 10.1016/j.marpolbul.2015.05.005
Marine Pollution Bulletin, 2015, 96, 456-62.

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
