

# CITATION REPORT

List of articles citing

The influence of time and discipline on the magnitude of correlations between citation counts and quality scores

DOI: 10.1016/j.joi.2015.05.006

Journal of Informetrics, 2015, 9, 529-541.

**Source:** <https://exaly.com/paper-pdf/62099353/citation-report.pdf>

**Version:** 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
