

CITATION REPORT

List of articles citing

Programmed cell death 1 and Helios distinguish TCR- $\alpha\beta$ + double-negative (CD4-CD8-) T cells that derive from self-reactive CD8 T cells

DOI: 10.4049/jimmunol.1402775

Journal of Immunology, 2015, 194, 4207-14.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
