List of articles citing

## Micronutrient intakes and potential inadequacies of community-dwelling older adults: a systematic review

DOI: 10.1017/S0007114515000203

British Journal of Nutrition, 2015, 113, 1195-206.

**Source:** <https://exaly.com/paper-pdf/62308069/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
