

CITATION REPORT

List of articles citing

Composite Adaptive Fuzzy Output Feedback Control Design for Uncertain Nonlinear Strict-Feedback Systems With Input Saturation

DOI: 10.1109/tcyb.2014.2370645

IEEE Transactions on Cybernetics, 2015, 45, 2299-308.

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
