## CITATION REPORT List of articles citing

Candidate genetic modifiers for breast and ovarian cancer risk in BRCA1 and BRCA2 mutation carriers

DOI: 10.1158/1055-9965.epi-14-0532 Cancer Epidemiology Biomarkers and Prevention, 2015, 24, 308-16.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
