

# CITATION REPORT

List of articles citing

## Residential Road Traffic Noise and High Depressive Symptoms after Five Years of Follow-up: Results from the Heinz Nixdorf Recall Study

DOI: 10.1289/ehp.1409400

Environmental Health Perspectives, 2016, 124, 578-85.

**Source:** <https://exaly.com/paper-pdf/63125791/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
