## Effects of a Multispecies Probiotic Mixture on Glycemic Control and Inflammatory Status in Women with Gestational Diabetes: A Randomized Controlled Clinical Trial

DOI: 10.1155/2016/5190846

Journal of Nutrition and Metabolism, 2016, 2016, 5190846.

**Source:** <https://exaly.com/paper-pdf/63198530/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
