

# CITATION REPORT

List of articles citing

Comparison between transdermal nitroglycerin and sildenafil citrate in intrauterine growth restriction: effects on uterine, umbilical and fetal middle cerebral artery pulsatility indices

DOI: 10.1002/uog.15673

Ultrasound in Obstetrics and Gynecology, 2016, 48, 61-5.

**Source:** <https://exaly.com/paper-pdf/63381303/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
